The following is a brief description of our church's activities that we undertake with children and adults:

Tees Valley Community Church is an independent Christian church affiliated to "Salt and Light" churches. Our activities include services on Sundays which are open to all as well as activities and meetings for children and young people during the week. Most of these activities are located at the Oakwood Centre, but some take place in local Community Centres. Some activities are organised in collaboration with other "Salt and Light" churches or with "Urban Saints" or similar.

This policy applies to the activities and events of Tees Valley Community Church and also include the activities of Tees Valley Community Projects. In particular it includes the activities run at "The Shack" in Ragworth, in Oxbridge, in Easterside, in Linthorpe Road Methodist Church at 54 Borough Road, Middlesbrough, Cleveland, TS1 2JH and activities related to the work of Christians Against Poverty and Three13 Training and Enterprise.

For the purposes of this document these terms have the following meaning:

A "Worker" is anyone working with children, youth or adults with care and support needs, whether in a paid or voluntary capacity.

The "Leadership refers to the Elders and Directors of Tees Valley Community Church.

Our commitment

As a Leadership we recognise the need to provide a safe and caring environment for children, young people and adults with care and support needs. We acknowledge that children, young people and adults can be the victims of physical, sexual and emotional abuse, and neglect. We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights, which states that everyone is entitled to “all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status”. We also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. They have a right to be protected from “all forms of physical or mental violence, injury or abuse, neglect or negligent treatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s), or any other person who has care of the child.” As a Leadership we have therefore adopted the procedures set out in this safeguarding policy in accordance with statutory guidance. We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and attached practice guidelines are based on the ten **Safe and Secure** safeguarding standards published by thirty one:eight, which is an independent Christian charity providing professional advice, training, support and resources in all areas of safeguarding children and adults at risk of harm.

The Leadership undertakes to:

- endorse and follow all national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.
- provide on-going safeguarding training for all its workers and regularly review the operational guidelines attached.
- ensure that the premises meet the requirements of the Equality Act 2010 and all other relevant legislation, and that it is welcoming and inclusive.
- support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and adults with care and support needs.

- The Leadership agrees not to allow the document to be copied by other organisations.

Section 2

Prevention

Understanding abuse and neglect

Defining child abuse or abuse against an adult with care and support needs is a difficult and complex issue. A person may abuse by inflicting harm, or failing to prevent harm. Children and adults in need of protection may be abused within a family, an institution or a community setting. Very often the abuser is known or in a trusted relationship with the child or vulnerable adult.

In order to safeguard those in our places of worship and organisations we adhere to the UN Convention on the Rights of the Child and have as our starting point as a definition of abuse, Article 19 which states:

1. Parties shall take all appropriate legislative, administrative, social and educational measures to protect the child from all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has the care of the child.

2. Such protective measures should, as appropriate, include effective procedures for the establishment of social programmes to provide necessary support for the child and for those who have the care of the child, as well as for other forms of prevention and for identification, reporting, referral, investigation, treatment and follow-up of instances of child maltreatment described heretofore, and, as appropriate, for judicial involvement.

Also for adults the UN Universal Declaration of Human Rights with particular reference to Article 5 which states:

No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Detailed definitions, and signs and indicators of abuse, as well as how to respond to a disclosure of abuse, are included here in our policy.

Safer recruitment

The Leadership will ensure all workers will be appointed, trained, supported and supervised in accordance with government guidance on safe recruitment. This includes ensuring that:

- There is a clear description for the role required.
- Safeguarding has been discussed at the start of the role
- Written references have been obtained where appropriate.
- A disclosure and barring check has been completed (we will comply with Code of Practice requirements concerning the fair treatment of applicants and the handling of information)
- A suitable training programme is provided for all workers.
- Each worker agrees to a probationary period.
- The applicant has been given a copy of the organisation's safeguarding handbook and knows how to report concerns.

Safeguarding training

The Leadership is committed to on-going safeguarding training and development opportunities for all workers, developing a culture of awareness of safeguarding issues to help protect everyone. All our workers will receive induction training and undertake recognised safeguarding training on a regular basis.

The Leadership will also ensure that children and adults with care and support needs are provided with information on where to get help and advice in relation to abuse, discrimination, bullying or any other matter where they have a concern.

Management of Workers – Codes of Conduct

As a Leadership we are committed to supporting all workers and ensuring they receive support and supervision. All workers have been issued with a safeguarding handbook towards children, young people and adults with care and support needs.

Section 3

Practice Guidelines

As a church working with children, young people and vulnerable adults we wish to operate and promote good working practice. This will enable workers to run activities safely, develop good relationships and minimise the risk of false accusation.

As well as a general safeguarding policy we also have specific safeguarding handbook for every activity we are involved in and these are attached.

Working in Partnership

The diversity of organisations and settings means there can be great variation in practice when it comes to safeguarding children, young people and vulnerable adults. This can be because of cultural tradition, belief and religious practice or understanding, for example, of what constitutes abuse.

We therefore have clear guidelines in regards to our expectations of those with whom we work in partnership, whether in the UK or not. We will discuss with all partners our safeguarding expectations and have a partnership agreement for safeguarding. It is also our expectation that any organisation using our premises, as part of the letting agreement will have their own policy that meets CCPAS' safeguarding standards.

We believe good communication is essential in promoting safeguarding, both to those we wish to protect, to everyone involved in working with children and vulnerable adults and to all those with whom we work in partnership. This safeguarding policy is just one means of promoting safeguarding.

Section 4

Responding to allegations of abuse

Under no circumstances should a volunteer or worker carry out their own investigation into an allegation or suspicion of abuse. Where any allegation or suspicion of abuse is raised the procedures should be followed as described below:

Documenting a concern

The worker or volunteer should make a report of the concern in the following way:

- The person in receipt of allegations or suspicions of abuse should report concerns as soon as possible to:

Name: David Marley (hereafter the "Safeguarding Co-ordinator")

Tel: 07960 148690

Email: david.marley@theoakwood.org.uk

The above is nominated by the Leadership to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities.

- In the absence of the Safeguarding Co-ordinator or, if the suspicions in any way involve the Safeguarding Co-ordinator, then the report should be made to:

Name: Leanne Chilton (hereafter the "Deputy")

Tel: 07814 242798

Email: leanne@lchilton.co.uk

If the suspicions implicate both the Safeguarding Co-ordinator and the Deputy, then the report should be made in the first instance to:

thirtyone:eight PO Box 133, Swanley, Kent, BR8 7UQ.

Tel: 0303 003 1111.

Alternatively contact Social Services or the police.

Safeguarding Co-ordinators

The Safeguarding Co-ordinator should contact the appropriate agency or they may first ring the thirtyone:eight helpline for advice. They should then contact social services in the area the child or adult lives.

- Stockton and Hartlepool Children's Services telephone number is: 01642 130080.
 - The out of hours emergency number is: 08702 402994 or 01642 524552
 - The local Adult Social Services office telephone number (office hours) is: 01642 527764
 - The out of hours emergency number is: 08702 402994 or 1642 524552
 - Middlesbrough Children & Adults Services telephone number is: 01642 726004
 - The out of hours number is: 01642 524552

- The Safeguarding Co-ordinator may need to inform others depending on the circumstances and/or nature of the concern:
 - Chair or trustee responsible for safeguarding who may need to liaise with the insurance company or the charity commission to report a serious incident.
 - Designated officer or LADO (Local Authority Designated Officer) if the allegation concerns a worker or volunteer working with someone under 18.
 - Suspicions must not be discussed with anyone other than those nominated above. A written record of the concerns should be made in accordance with these procedures and kept in a secure place.
 - Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Co-ordinator, the absence of the Safeguarding Co-ordinator or Deputy should not delay referral to Social Services, the Police or taking advice from thirtyone:eight.
 - The Leadership will support the Safeguarding Co-ordinator/Deputy in their role and accept that any information they may have in their possession will be shared in a strictly limited way on a need to know basis.
 - It is, of course, the right of any individual as a citizen to make a direct referral to the safeguarding agencies or seek advice from thirtyone:eight, although the Leadership hope

that members of the place of worship / organisation will use this procedure. If, however, the individual with the concern feels that the Safeguarding Co-ordinator/Deputy has not responded appropriately, or where they have a disagreement with the Safeguarding Co-ordinator(s) as to the appropriateness of a referral they are free to contact an outside agency direct. We hope by making this statement that the Leadership demonstrate its commitment to effective safeguarding and the protection of all those who are vulnerable.

The role of the safeguarding co-ordinator/ deputy is to collate and clarify the precise details of the allegation or suspicion and pass this information on to statutory agencies who have a legal duty to investigate.

Detailed procedures where there is a concern about a child:

Allegations of physical injury, neglect or emotional abuse.

If a child has a physical injury, a symptom of neglect or where there are concerns about emotional abuse, the Safeguarding Co-ordinator/Deputy will:

- Contact Children's Social Services (or thirtyone:eight) for advice in cases of deliberate injury, if concerned about a child's safety or if a child is afraid to return home.
- Not tell the parents or carers unless advised to do so, having contacted Children's Social Services.
- Seek medical help if needed urgently, informing the doctor of any suspicions.
- For lesser concerns, (e.g. poor parenting), encourage parent/carer to seek help, but not if this places the child at risk of significant harm.
- Where the parent/carer is unwilling to seek help, offer to accompany them. In cases of real concern, if they still fail to act, contact Children's Social Services direct for advice.
- Seek and follow advice given by thirtyone:eight (who will confirm their advice in writing) if unsure whether or not to refer a case to Children's Social Services.

Allegations of sexual abuse

In the event of allegations or suspicions of sexual abuse, the Safeguarding Co-ordinator/Deputy will:

- Contact the Children's Social Services Department Duty Social Worker for children and families or Police Child Protection Team direct. They will NOT speak to the parent/carer or anyone else.
- Seek and follow the advice given by thirtyone:eight if for any reason they are unsure whether or not to contact Children's Social Services/Police. Thirtyone:eight will confirm its advice in writing for future reference.

Detailed procedures where there is a concern that an adult is in need of protection:

Suspicions or allegations of abuse or harm including; physical, sexual, organisational, financial, discriminatory, neglect, self-neglect, forced marriage, modern slavery, domestic abuse.

If there is concern about any of the above, Safeguarding Co-ordinator/Deputy will:

- Contact the Adult Social Care Team who have responsibility under the Care Act 2014 to investigate allegations of abuse. Alternatively thirtyone:eight can be contacted for advice.
- If the adult is in immediate danger or has sustained a serious injury contact the Emergency Services, informing them of any suspicions.

If there is a concern regarding spiritual abuse, Safeguarding Co-ordinator will:

- Identify support services for the victim i.e. counselling or other pastoral support
- Contact thirtyone:eight and in discussion with them will consider appropriate action with regards to the scale of the concern.

Allegations of abuse against a person who works with children/young people

If an accusation is made against a worker (whether a volunteer or paid member of staff) whilst following the procedure outlined above, the Safeguarding Co-ordinator, in accordance with Local Safeguarding Children Board (LSCB) procedures will:

- Liaise with Children's Social Services in regards to the suspension of the worker
- Make a referral to a designated officer formally called a Local Authority Designated Officer (LADO) whose function is to handle all allegations against adults who work with children and young people whether in a paid or voluntary capacity.
- Make a referral to Disclosure and Barring Service for consideration of the person being placed on the barred list for working with children or adults with additional care and support needs. This decision should be informed by the LADO if they are involved.

Allegations of abuse against a person who works with adults with care and support needs

The safeguarding co-ordinator will:

- Liaise with Adult Social Services in regards the suspension of the worker
- Make a referral to the DBS following the advice of Adult Social Services

The Care Act places the duty upon Adult Services to investigate situations of harm to adults with care and support needs. This may result in a range of options including action against the person or organisation causing the harm, increasing the support for the carers or no further action if the 'victim' chooses for no further action and they have the capacity to communicate their decision. However, this is a decision for Adult Services to decide not the church.

Section 5

Pastoral Care

Supporting those affected by abuse

The Leadership is committed to offering pastoral care, working with statutory agencies as appropriate, and support to all those who have been affected by abuse who have contact with or are part of the place of worship/organisation.

Working with offenders and those who may pose a risk

When someone attending the church is known to have abused children, is under investigation, or is known to be a risk to adults with care and support needs; the Leadership will supervise the individual concerned and offer pastoral care, but in its safeguarding commitment to the protection of children and adults with care and support needs, set boundaries for that person, which they will be expected to keep. These boundaries will be based on an appropriate risk assessment and through consultation with appropriate parties.

APPENDIX 1

Statutory Definitions of Abuse (Children)

Abuse and neglect are forms of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm.

Children may be abused in a family or in an institutional or community setting; by those known to them or, more rarely, by a stranger. They may be abused by an adult or adults or another child or children.

Child protection legislation throughout the UK is based on the United Nations Convention on the Rights of the Child. Each nation within the UK has incorporated the convention within its legislation and guidance.

The four definitions of abuse below operate in England based on the government guidance 'Working Together to Safeguard Children (2006)'.

Physical Abuse - may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child.

Emotional Abuse - is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual Abuse - involves forcing or enticing a child or young person to take part in sexual activities, including prostitution, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative (e.g. rape, buggery or oral sex) or non-penetrative acts. They may include non-contact activities, such as involving children in looking at, or in the production of, pornographic material or watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

Neglect - is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to provide adequate food and clothing, shelter including

exclusion from home or abandonment, failing to protect a child from physical and emotional harm or danger, failure to ensure adequate supervision including the use of inadequate care-takers, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Signs of Possible Abuse (children & young people)

The following signs could be indicators that abuse has taken place but should be considered in context of the child's whole life.

- Reluctance to change for, or participate in, games or swimming

Listening skills

HOW TO RESPOND TO A CHILD/ADULT WISHING TO DISCLOSE ABUSE.

Effective Listening

Ensure the physical environment is welcoming, giving opportunity for the child or vulnerable adult to talk in private but making sure others are aware the conversation is taking place.

- It is especially important to allow time and space for the person to talk
- Above everything else listen without interrupting
- Be attentive and look at them whilst they are speaking
- Show acceptance of what they say (however unlikely the story may sound) by reflecting back words or short phrases they have used
- Try to remain calm, even if on the inside you are feeling something different
- Be honest and don't make promises you can't keep regarding confidentiality
- If they decide not to tell you after all, accept their decision but let them know that you are always ready to listen.
- Use language that is age appropriate and, for those with disabilities, ensure there is someone available who understands sign language, Braille etc.

HELPFUL RESPONSES

- You have done the right thing in telling
- I am glad you have told me
- I will try to help you

DON'T SAY

- Why didn't you tell anyone before?
- I can't believe it!
- Are you sure this is true?
- Why? How? When? Who? Where?
- I am shocked, don't tell anyone else
